

God Is Still Upon The Throne Of His Holiness

By David J. Stewart | April 2013

Psalms 47:8, "God reigneth over the heathen: God sitteth upon the throne of his holiness."

Our righteous God is still upon the throne of His holiness. Amen and amen! In these wicked times we are hearing about many horrible things in the news. Sin is everywhere, even in our churches. The Bible calls the world wicked and it certainly is. *1st John 5:19, "And we know that we are of God, and the whole world lieth in wickedness."* The majority of civilization has always been wicked. Only a small percentage of humanity has ever chosen to do right and obey God. I dare say that less than one-percent of the world's population is saved, that is, born-again by obedience to the gospel.

It is comforting to read in the Bible that "GOD REIGNETH OVER THE HEATHEN." Most people think that God only dwells in the churches, as some form of religious dogma; but God is a Person, Who exists as three individual beings (namely, God the Father, God the Son and God the Holy Spirit). There's only one God (Deuteronomy 6:4), but He has manifest Himself to humanity in the form of the Godhead (Colossians 2:9, Romans 1:20; Acts 17:29 - King James Bible). The Bible calls this the doctrine of the Godhead. The top headlines of this world are as child's play to God. *Isaiah 40:15, "Behold, the nations are as a drop of a bucket, and are counted as the small dust of the balance: behold, he taketh up the isles as a very little thing."*

God Hears Our Words, Whether Praise Or Curse

The problems of this world are trifle to God. Man creates his own problems, then blames God. Shakira and Lady Gaga spew their words of hatred and blasphemy against the Lord. God hears their words. *Ezekiel 35:13, "Thus with your mouth ye have boasted against me, and have multiplied your words against me: I have heard them."* God hears the blasphemous teachings of evolutionists who deny His very existence. God hears the blasphemous words of Rock singers who challenge His authority, worship the Devil and mock His Word. *Ezekiel 35:13, "Thus with your mouth ye have boasted against me, and have multiplied your words against me: I have heard them."* Only God's mercy, love and incredible long-suffering prevents the wicked from immediately dropping into the fires of Hell beneath. Oh, how God loves mankind! This is the great message of the Bible...

John 3:15-17, "That whosoever believeth in him should not perish, but have eternal life. For God so loved the world, that he gave his only

*begotten Son, that whosoever believeth in him should not perish, but have everlasting life. For God sent not his Son into the world to condemn the world; but **that the world through him might be saved.***"

I am so glad to be a Christian. As believers we're all commanded to WAIT upon the Lord. *Isaiah 64:4, "For since the beginning of the world men have not heard, nor perceived by the ear, neither hath the eye seen, O God, beside thee, what he hath prepared for him that waiteth for him."* The Hebrew word for "waiteth" is *chakah*, which means, "to adhere; hence to await." God wants us to be patient and wait for Him to work in our life, wait for His return, wait for His will to become clear, wait, wait, wait. That is part of being a Christian... WAITING on the Lord. Abraham and Sarah didn't want to wait in faith, so they took matters into their own hands and caused a big mess by involving Hagar. Faith is waiting upon the Lord, trusting Him to keep His promises in the Bible.

Animals and people alike are all waiting for the Lord to return. Animals don't have spirits like man does (they have a soul), but they know Who their Creator is. *Psalms 104:21, "The young lions roar after their prey, and seek their meat from God."* *Romans 8:22: "For we know that the whole creation groaneth and travaileth in pain together until now. And not only they, but ourselves also, which have the firstfruits of the Spirit, even we ourselves groan within ourselves, waiting for the adoption, to wit, the redemption of our body."* What a day that will be when my Jesus I shall see! Even so, come, Lord Jesus!

Sadly, Most People Are Going To Hell

Jesus said in Matthew 7:14 that the highway to Hell is broad and MANY people are traveling it. *Matthew 13-14, "Enter ye in at the strait gate: for wide is the gate, and broad is the way, that leadeth to destruction, and many there be which go in thereat: Because strait is the gate, and narrow is the way, which leadeth unto life, and few there be that find it."* The Bible teaches in our text verse from *Psalms 47:8* that God reigns over THE HEATHEN. *Luke 6:35* says that God is kind to the evil and to the unthankful. *Psalms 145:9, "The LORD is good to all: and his tender mercies are over all his works."* Most people treat God like garbage. Do you think God fails to see the true intent of the wicked who accuse the righteous, gnashing upon them with their gossip, slander and hateful words?

The truth is right in front of our faces. People who demand proof of God are total idiots, ignoring all the proof a person could ever need or want to believe in God. To those who believe, no explanation is necessary; to those who believe not, no explanation is possible. A Christian MUST have blind faith. *Hebrews 11:6* says that without faith it is IMPOSSIBLE to please God. Jesus stated in *Luke 16:30-31, "And he said, Nay, father Abraham: but if one went unto them from the dead, they will repent. And he said unto him, If they hear not Moses and the prophets, neither will they be persuaded, though one rose from the dead."* Wow! The Lord said that a person who won't listen to the Bible (Moses and the prophets) is well nigh hopeless. I once worked with an arrogant unsaved man who said to me, "Until God knocks on

my front door and says, 'This is my Word,' I won't believe!" Sadly, he is going to Hell unless He repents of his unbelief. All the proof of God is all around you.

I marvel that anyone could doubt God's existence. When I consider the stars and the size of the universe, and the perfection of the earth, and all the wondrous foods and spices... the only sensible conclusion is a divine Creator. Scientists admit that 83% of the known universe is composed of DARK MATTER, which scientists have no idea what it is. How can anyone deny the existence of a Creator when mankind's top minds don't even know what most of the universe is made of? Interestingly, if you ask most professed atheists if they believe in the possibility of aliens, they will say "yes, of course." Well, is not God by very definition an alien foreign to the earth. God is (i.e., celestial not terrestrial). I am so glad that the Creator of the universe is a good God. So good that He sent His only begotten Son to be abused in the world, rejected of men, and crucified upon a cross simply for speaking the truth. Little did those men realize that Jesus was the very Christ Who was dying for their sins, so they could be saved if they'd simply believe upon His name. Praise the precious name of Jesus Christ!

Blind To The Truth In Plain Sight

The American people are so naive! The strange thing is that umpteen movies contain the truth, mocking us in science fiction films with the truth that the newsmedia and public deny in reality. One of the latest films to come out of Hollywood is "*Olympus Has Fallen*," starring Morgan Freeman, in which it is admitted that Wall Street has bought control of Washington D.C. for hundreds-of-millions of dollars. IT'S THE TRUTH!!! Yet the newsmedia laughs at such documentable claims. How insane! How weird! How true! Truth is stranger than fiction!!! In the 1995 film "*Independence Day*," starring Jeff Goldblum, his lap top shows the countdown at 9:11 before The White House is destroyed. The Masonic occult loves to mock us by placing occult symbols and the truth in plain sight. **BELIEVE IT!** U.S. President Franklin D. Roosevelt (a 33rd degree Freemason) had over 100 occult symbols placed on every U.S. one-dollar bill.

The 2007 Hollywood movie, "*Shooter*," starring Mark Wahlberg contains some very interesting things. Atop a snowy mountain range in Montana, the fictitious state's senator says to Wahlberg (who plays Swagger) in the movie...

*There are no sides. There's no Sunnis and Shiites. There's no Democrats and Republicans. There's only haves and have-nots.
...*

This is a country where the Secretary of Defense can go on TV and tell the American public, oh, that "This is about freedom! It's not about oil!" And nobody questions him, because they don't want to hear the answer because it's a lie! There's only so many places at the table, Gunnie. Now are you on the inside, or are

you on the out?

The preceding statements are incredibly insightful. Here we see the truth in plain sight, yet appearing in a fictitious movie. It is a disturbing paradox that the newsmedia (that's supposed to tell the truth) is full of LIES and DECEPTIONS. Yet, fictitious Hollywood movies (that are supposed to be unreal) are full of TRUTH and REALISM. Literally, you'll get more truth from a science-fiction movie these days, than you'll get from the mainstream newsmedia in America.

HIDING THE TRUTH IN PLAIN SIGHT

It took me years to figure out the truth about truth, and if people only knew it, they could save themselves a lot of money and headaches. Though I certainly don't even come close to knowing everything, I am one of the scant few who loves truth above all else. Some of you who read this feel the same way, and that's why you come to this website searching for new morsels of truth. But the masses would never accept what I have presented here, firstly because it's true and secondly because it's contrary to what seems logical to them. If I wrote a book about it, it would never reach many people. Great truths and great products are and have always been allocated to a miniscule minority. Count yourself both fortunate and unfortunate if you are a natural truth seeker. You have been given a love of what is true and excellent, which is a good thing. But as a result, you will be afflicted and persecuted by a world in which you are necessarily a misfit.

Satan's Methods Haven't Changed In 6,000 Years

God's throne is holy, that is, morally perfect. God makes NO mistakes. Nothing ever occurs to God. Everything that God does is right! The Lord doesn't have to try to remember things. God always knows everything about everyone at all times. God is omnipotent (all-powerful). God is omniscient (all-knowing). God is omnipresent

(everywhere). In sharp contrast, Satan is limited in power, knowledge and ability to travel. Satan is an inferior being, not even comparable to God (Who is superior in every way). The Devil is a loser!

We see the malicious character of Satan in the Garden Of Eden. Revelation 20:2 identifies the serpent as the Devil, Satan. Genesis 3:1-5 gives us some remarkable insight into the evil nature of the Devil, whose methods haven't changed in 6,000 years...

- The Devil came to Eve in disguise, pretending to care about her.
- The Devil deceived Eve by lying to her.
- Satan distorted the truth.
- Satan cast question upon the reliability of God's Word.
- Satan convinced Eve that it was in her best interests to disobey God.
- The Devil forsook Eve after destroying her life.

The Devil also comes to us today, making false claims. Eve didn't wake up to the truth until it was too late. The lying mainstream newsmedia is the serpent doing Satan's dirty work. They lie to the public about many things, misleading people on the most important issues (like the fraudulent Federal Reserve System, the Masonic control of America's government and the Bush administration's prior knowledge and complicity in the 911 attacks). Americans can handle MSNBC's Rachael Maddow admitting that Bush and Cheney lied the U.S. into war against Iraq (killing over a million innocent Iraqis); but Americans would not tolerate learning the truth that Bush and Cheney murdered 2,745 Americans on 911 for a pretext to set up a U.S. police state and invade Afghanistan and Iraq. In the minds of the globalists, it's just another day of abortions, which kill over 4,000 Americans every single day!!!

Jesus Said To, "Be Of Good Cheer"

John 16:33, "These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulation: but be of good cheer; I have overcome the world."

Don't be discouraged by reports of preachers falling. Preachers are only people, and all people are sinners. If there's any group in America that we should be uplifting, it's the wearied hands of our beloved fundamentalist preachers. When a police officer commits a crime(s), he is fired but rarely serves any prison time, because his service to the community is always taken into consideration. His past merit is considered. Bible-believing Preachers are forced to walk on a very tight rope. Literally, Bible-preachers have to walk on cracked-egg-shells these days to avoid being posted on YouTube, Twitter or the blogs by sundown. Haters lurk everywhere, just waiting for some manure to upload on the internet. God holds us accountable for the words we type with our fingers, just as much as our words spoken. Wicked people will always hate, but don't hate them back. The Lord Jesus teaches us to love our enemies, pray for those who curse us, and do good to those who do evil

against us. Overcome evil with Good (Romans 12:21).

The wicked have risen to power in America. Evil people don't cut any slack for a righteous man who falters, but they'll extend every courtesy to the wicked who sin. Lesbian judges, homosexual lawmakers, queer politicians, lying lawyers, the accusers of the brethren... *Psalms 37:20, "But the wicked shall perish, and the enemies of the LORD shall be as the fat of lambs: they shall consume; into smoke shall they consume away."*

A lot of self-righteous people who love to condemn, hate and spread gossip are going to get a big surprise in eternity on judgment day when God condemns them. *Matthew 7:1-2, "Judge not, that ye be not judged. For with what judgment ye judge, ye shall be judged: and with what measure ye mete, it shall be measured to you again."* Our American society is saturated with hatred, slander and malicious gossip intended to hurt others. God hates it all. *James 4:12, "There is one lawgiver, who is able to save and to destroy: who art thou that judgest another?"* American culture is very hypocritical, hateful of the righteous. *Psalms 37:12, "The wicked plotteth against the just, and gnasheth upon him with his teeth."* *Proverbs 11:9, "An hypocrite with his mouth destroyeth his neighbour: but through knowledge shall the just be delivered."*

In an [interview with TV Guide](#), Gene Simmons of the devilish Rock band, Kiss, bragged that he has had sex with 4,897 women throughout his career so far. Millions of young teenagers have been led into idolatry, sexual immorality and rebellion by Simmons' music; yet he's an American icon and a superhero on television. But just let a fundamentalist preacher sin even once and the wicked will condemn him for the rest of their natural life. Simmons' has 1,000 times more influence upon teenagers than even the most popular preachers.

Simmons (a self-proclaim Rock god) is a destroyer of lives with his KISS influence—spewing blood on stage, making sexual gestures with his [surgically-altered long tongue](#), blaspheming God and inviting teens to surrender their lives to Satan!!! I could name dozens of Rock stars who've spent their lives fornicating, whoremongering and committing all sorts of sexual immorality; yet Wikipedia doesn't mention anything. If a fundamentalist preacher is accused (without evidence) of adultery, it is published as if it were a fact; but when a wicked Rock stars admittedly commit adultery with thousands of whores, no one says anything and the pervert is made a national hero. Gene Simmons' real Jewish name is Chaim Witz. I'm not condemning Mr. Witz (Simmons). On the contrary, he gleefully boasts of his sexual exploits. I'm just pointing out the wicked hypocrisy of our sicko American culture of hatred against Christians. If you're a Christian, the whole world is waiting for you to fall.

We Are All Rotten Sinners Of The Worst Sort

Everyone is a dirty sinner, deserving of punishment in the fires of Hell. 1st *Timothy 5:24, "Some men's sins are open beforehand, going before to judgment; and some*

men they follow after.” A hypocrite is someone who views another person as being a bigger sinner than them self. We're all big sinners! There are no good people in God's eyes (Ecclesiastes 7:20; Romans 3:10,23). We have all sinned. I am the biggest sinner that I know (and so are you if you're honest with yourself). *James 2:10, “For whosoever shall keep the whole law, and yet offend in one point, he is guilty of all.”* Even one small sin (seemingly insignificant sin in man's eyes) is a big sin in God's eyes. Even one sin is enough to condemn a person to the Lake of Fire forever!!!

The Bible says that judgment will begin with the Church (the saints), but then God will tear the wicked in pieces. *1st Peter 4:17, “For the time is come that judgment must begin at the house of God: and if it first begin at us, what shall the end be of them that obey not the gospel of God?”* Woe unto the unsaved! Woe unto all Christ-rejecters! *Psalms 50:22, “Now consider this, ye that forget God, lest I tear you in pieces, and there be none to deliver.”* The wicked think that they are triumphing now, but their day of reckoning is fast coming. *Psalms 37:13, “The Lord shall laugh at him: for he seeth that his day is coming.”* Although we don't rejoice to see the death of the wicked, the Bible teaches that Christians will one day rejoice to be avenged of the wicked. *Psalms 58:10, “The righteous shall rejoice when he seeth the vengeance: he shall wash his feet in the blood of the wicked.”*

God is still sitting upon His throne of holiness, reigning over the world. Nothing can happen in this universe without God's approval. The Lord doesn't make men sin, they choose to do so of their own free will. Albeit, God sees every work, good and evil, and will judge all men accordingly in eternity (Ecclesiastes 12:14; Proverbs 24:12; Romans 14:10-12).

Even so, come, Lord Jesus!
